### Bruce Bowe President Rotary Club

New officers for the Pahokee Rotary club have been elected and the members unanimously chose Bruce Bowe, insurance man, to take over the reigns of leadership for the 1967-68 Rotary year. He will succeed John D. Rogers who will end his successful term as head of the club on July 1, 1967.

Chosen for the vice presidential spot was J. C. Simonds, hospital administrator, and the new secretary will be Leo Hebert of the Crops Research Division of the Sugar Cane Field Station at Canal Point.

John Howell, who has served efficiently as treasurer for the present year, was named to take over that post again on July 1.

Director A—Club Service—will be headed by C. R. Wetherington during the coming year. Director B—Vocational Service—will be headed by Don Adams. Director C—Community Service—is to be under the direction of Bill Bennion. Director D—International Service—is to be headed by Charles Modecki.

### Library To Be Sought As U. S. S. C. Gift

An appointed committee to come up with an idea for accepting a huge cash gift from the U. S. Sugar Corporation, has decided they will ask the sugar company for a new library. Because there are many U. S. S. C. employees residing in the Pahokee area it was decided by the company to make a sizeable contribution to the community.

It has been suggested that the City of Pahokee donate land adjacent to the Little League ball field for a location for the library. There has been no announcement by the sugar company about the size of the gift.

The sugar company has made donations to the City of Clewiston, where general offices are maintained, and Harry T. Vaughn, president of the company, thought it a good idea to make a donation to the Pahokee area. His generosity has been complimented widely since his announcement on January 30, 1967.

### BIG K STORE CLOSES

The Big K Store which occupied the Sanders building in Pahokee, where Kahn's Department store was located for several years before moving to Belle Glade, moved out during the past week. An official of the store said the equipment was being moved to their Lake Park store.

### Mead Maxwell Republican, Seeks Office

Mead Maxwell of Pahokee has qualified as a candidate for the state legislature and is running in District 81 which is comprised of Palm Beach and Martin counties. Mr. Maxwell is a registered Republican. William G. James of Delray Beach is his opponent in the Republican primary next Tuesday. Should he win the Republican primary for the District 81 spot he will oppose William E. Owens of Stuart in Martin county in the general election on March 28.

Young Maxwell is the son of Mr. and Mrs. Leo Maxwell of Pahokee and is a graduate of Pahokee high school. He has been attending Palm Beach Junior College. His parents are pioneer residents of the Glades and his father has owned and operated the Palm Service Station and Garage for more than 30 years.

Mr. Maxwell is making an all-out campaign on the East Coast of the county and has been campaigning about 16 hours a day since he tossed his hat into the political ring. His many friends and supporters in the Pahokee and Glades area are assisting him in his campaign by passing out campaign literature all over the Glades section of Palm Beach county.

### Service Men To Miss Voting Thomas Says

Thousands of Florida servicemen and some of the state's residents will be disenfranchised by the order of the three-man federal judge panel that a new Florida Legislature must be elected before the opening of the 1967 session April 4, State Senator Jerry Thomas said Monday.

"It is ironic that the men who are fighting to protect the right of a nation and its people to conduct free elections are being denied the right to vote by a federal court order in their own country," Thomas said it would be impossible to get absentee ballots to the servicemen even if they had known of the special election and had mailed in their requests. He said it also appears that unless Florida residents, who wish to cast absentee ballots, walk into the offices of the supervisors of elections they will not be able to exercise their rights to vote.

The senator, who is seeking re-election in District 35, Palm Beach, Hendry, Glades, and Lee counties, said it is unfortunate the federal court judges failed to take into consideration there are certain basic mechanics in setting up elections and that many persons would be denied the right to vote under the edict of the judges.

### Local Lions In Regular Meet Monday

The Canal Point Lions Club met on Monday night, February 20, at the Community Building with J. W. Repper, president presiding.

A motion was made by J. G. Weeks and accepted by the club members present to send a donation to the Florida Sheriff's Boys Ranch.

Walter McCarty was appointed to be on the committee as the representative from Canal Point to select someone to receive the W. A. "Pop" Reynolds Youth Service Award.

### Pahokee Lions Plan Many Club Events

The Pahokee Lions Club held their regular monthly business meeting on Tuesday with president, Dr. R. L. Hutton, presiding. The club discussed and approved the recommendations made by the board of directors two weeks ago in their regular meeting in regard to general club affairs.

It was announced that the first presentation of the W. A. "Pop" Reynolds Youth Service Award would be on Tuesday, March 21, at 7:30 p. m. at the dinner and ladies night program with past president and Mayor, Duncan Padgett, in charge of the arrangements.

It was also announced that the committee would meet again on Thursday, February 23, at the home of Dr. R. L. Hutton to select a recipient of the award. Anyone with suggestions for the nomination should give the recommendation to any member of the committee.

Glenn Brower, zone chairman, announced that a Zone meeting would be held the first week in March in Okeechobee. He also announced that a Zone Social and Ladies Night would be held either the first or second week of March in Okeechobee. The meeting will be a chuck wagon type meeting outside and on a ranch near Okeechobee. Definite date and place for these two meetings will be announced next week.

Visitors at the meeting were Past District Governor, Dr. Claude Hicks, member of the Lake Worth Lions Club, his son, C. Erroll Hicks, a professor of government at Palm Beach Junior College and Democratic Candidate for the House of Representatives, District 79, and student guest, Randy Wilkinson.

Mrs. Hugh Platt and daughter, Sue, and son, Jo, spent the past weekend in Plant City.

Two special primary elections and one general election will be held in Florida within the next few weeks. The first primary is scheduled for next Tuesday—February 28. The run-off election is set up for Tuesday, March 14. The general election at which time successful primary candidates will pit Democrat against Republican is to be held on Tuesday, March 28, just two weeks after the final primary.

A great deal of county shuffling has been done and the results have put Palm Beach and Martin counties in District 81 for state representatives.

In the 35th senatorial district three counties have been added to Palm Beach county. They are Glades, Hendry and Lee—reaching from the east coast to the Gulf of Mexico.

Candidates have had only a few days since qualifying to put their platforms before the voting public. Thousands of people in the county will not know next Tuesday when they enter the polling booths, the names of the candidates seeking office. A Democratic primary and a Republican primary will be the order of the day next Tuesday. There are many races in which the candidates have opposition in their own party.

### State Park Bid Approved By Cabinet

The \$135,000 contract bid for a state park at Pahokee was approved by the state cabinet in session on Tuesday in Tallahassee. T. G. Brown Construction Company of West Palm Beach was the low bidder. Work will start in the not too distant future, officials said.

The new state park will run from the northern edge of the Pahokee airport to the northern edge of the Boy Scout camp just north of the Lake Street approach to the dike.

The City of Pahokee plans to put \$21,900 in the fund for sewerage and water facilities. The county will also put in \$10,000, it was said.

When completed the park will be open from 6 a. m. until 9 p. m.

A charge will be made for the use of the park just as is made at other state parks in Florida.

### FISHING WAS EXCELLENT

Speckled perch fishing in Canal Point in the West Palm Beach canal has been unusually good during the past few weeks. On Wednesday morning of this week the hurricane gate was closed and fishing slackened off.

Mr. and Mrs. Frank Rosenberg and family were the guests of his mother, Mrs. Elizabeth Rosenberg, in Lake Worth on Sunday.

## Dickinson Will Support Democrats

Tallahassee—Comptroller Fred O. (Bud) Dickinson, Jr., Monday urged election of Democrats to the Legislature "as a sure way to continue the progress which Democrats have provided during Florida's dramatic growth era."

Dickinson's remarks were made as the qualification period for candidates for the State Legislature ended here.

"I hope the people of our state will not let apathy prevent the election of the best qualified candidates in the upcoming elections," Dickinson said.

He added: "I would remind all Floridians that Florida Democrats in our Legislature and throughout the history of Florida have kept this state in step with the great growth problems while maintaining a balanced budget in conservative fiscal management and while projecting Florida's image of economic stability."

"It has been the Florida Democrats who have preserved the \$5,000 Homestead Exemption, and have kept the strong and effective Cabinet system of government which has given all citizens a forum for handling their problems of government. The Democrats have been responsible for the unparalleled development program in the fields of conservation, education, road building, junior colleges and university expansion and development."

## Campers Find State Parks To Be Fun

Campers in ever increasing numbers are finding Florida State Parks the answer to a fun vacation on a budget any time of year.

This new wave of campers reflects the changing leisure-time tastes of the American public toward more family outdoor recreation, and has pushed the number of Florida parks offering camping facilities from a total of six in 1950 to 24 presently in operation, more in the planning stage.

Though the trappings of a camping trip have changed considerably in the last ten years or so—most come in campers or trailers instead of pitching the time-honored tent—the attractions which drew them are pretty much the same.

Glittering stretches of beach; natural scenery, from peaceful lakes bordered by hammock land and moss-draped oaks to lush tropical foliage glistening in the sunshine; a chance to participate in sports every month of the year—fishing, boating, water skiing,

## Registered Nurses In Great Demand

The registered nurse today is probably more in demand than at any previous time in history. Many hospitals are taking advertisements in newspapers far removed from their own area in order to attract nurses to their staff. In fact, the nursing school graduate or the established registered nurse of today has a multiplicity of potential employers to choose from that is probably unmatched in any other profession.

How then can an organization such as the United States Air Force hope to attract sufficient number of nurses to maintain its Nurse Corps?

Local Air Force Recruiting Sergeant Joe Bloxom states that the task isn't easy but then it never was. "The main problem," according to Sgt. Bloxom, "is letting nurses know exactly what the Air Force can offer them. Many of the so called 'new' benefits that nurses are being offered today by potential employers, the Air Force has offered for years. Many more, of course, are still only found in the Air Force."

Sgt. Bloxom advised local nurses that, with so many positions to choose from, they owe it to themselves to get the facts on all that are available. This most definitely includes the Air Force, of course. Information may be obtained from Sgt. Bloxom at the Air Force Recruiting office, 3238 South Dixie in West Palm Beach, Phone 833-5133. Sgt. Bloxom may also be contacted at the Selective Service office in Belle Glade each Tuesday at 1:00 p.m. and each Thursday at 10:00 a.m.

golfing, hiking, almost any kind of recreation you can name; these are some things that draw more and more visitors each year.

Not only summer visitors either. Campers who want to spend a "green Christmas" instead of a white one head for Florida over Christmas holidays, camping as they go, and letting the children have, as one put it, "a non-commercial" Christmas.

One family spending Christmas at Bahia Honda State Park in the Florida Keys claimed to have the most fun of their lives with a celebration which included hanging pine cones on a palm tree in lieu of the traditional evergreen, and singing carols around a campfire Christmas Eve.

## Campers Are Plentiful In State Parks

A record number of campers from other states visited Florida State Parks during the first seven months of the Park Board's fiscal year.

State Parks Director Bill Miller said that 304,245 of the 523,313 overnight campers from July 1 through January 31 were from out-of-state or from foreign countries.

Miller noted that 826,014 of the 3,425,957 people visiting Florida's 53 state parks and historic memorials so far this year were from out-of-state.

Total attendance for all parks during the seven months was 17 per cent more than the same period the previous year, with 10 per cent more campers recorded.

There have been 52,980 boating visitors during the period, with the new Cape Florida State Park on Key Biscayne leading with 14,992 persons coming by boat into the park.

Hugh Taylor Birch State Park at Fort Lauderdale led all parks in attendance, with 554,350 tourists so far this year. Second was St. Andrews State Park at Panama City Beach with 418,546.

More campers stayed at St. Andrews State Park than any other, as 68,457 have been recorded through January 31. Second was Fort Pickens State Park near Pensacola Beach with 50,732 campers.
